### VITOCAL 252-A, AWOT-E-AC 251.A19

Energy label for a radiator. It features a radiator icon on the left. To its right are two black arrow-shaped boxes: the top one contains 'A<sup>++</sup>' and the bottom one contains 'A'. Further right are icons for a radiator and a tap with 'XL'.

Energy scale for a radiator. On the left is a radiator icon. To its right is a vertical scale of nine horizontal bars, each labeled with a letter from A<sup>+++</sup> to G. The A<sup>+++</sup> bar is green, A<sup>++</sup> is light green, A<sup>+</sup> is yellow-green, A is yellow, B is orange, C is red-orange, D is red, E is dark red, F is red, and G is dark red. To the right of the scale is a black arrow-shaped box containing 'A<sup>+++</sup>'.

Energy label for a water heater. It features a water heater icon on the left. To its right are four blue plus signs, each followed by an icon: a solar panel, a water tank, a control panel with a hand pointing, and another water heater icon. To the right of these icons are four square boxes: the first three are empty, and the fourth contains a black 'X'.

Energy scale for a tap. On the left is a tap icon with 'XL' next to it. To its right is a vertical scale of nine horizontal bars, each labeled with a letter from A<sup>+++</sup> to G. The A<sup>+++</sup> bar is green, A<sup>++</sup> is light green, A<sup>+</sup> is yellow-green, A is yellow, B is orange, C is red-orange, D is red, E is dark red, F is red, and G is dark red. To the right of the scale is a black arrow-shaped box containing 'A'.
