VITOCAL 252-A, AWOT-E-AC-AF 251.A19 2C

Energy label for a radiator. It features a radiator icon on the left. To its right are two black arrow-shaped boxes: the top one contains 'A⁺⁺' and the bottom one contains 'A'. Further right are two smaller icons: a radiator and a tap with 'XL' next to it.

Energy scale for a radiator. At the top left is a radiator icon. To its right is a black arrow-shaped box containing 'A⁺⁺⁺'. Below these are ten horizontal bars representing energy classes from A⁺⁺⁺ to G. The A⁺⁺⁺ bar is green, A⁺⁺ is light green, A⁺ is yellow-green, A is yellow, B is orange, C is red-orange, D, E, F, and G are red. A black arrow-shaped box with 'A⁺⁺⁺' is positioned to the right of the scale.

Energy label for a boiler. It features a boiler icon on the left. To its right are four blue plus signs, each followed by an icon: a solar panel, a hot water tank, a control panel with a hand pointing, and another boiler icon. To the right of these icons are four square boxes: the first three are empty, and the fourth contains a black 'X'.

Energy scale for a tap with XL. At the top left is a tap icon with 'XL' next to it. Below it are ten horizontal bars representing energy classes from A⁺⁺⁺ to G. The A⁺⁺⁺ bar is green, A⁺⁺ is light green, A⁺ is yellow-green, A is yellow, B is orange, C is red-orange, D, E, F, and G are red. A black arrow-shaped box with 'A' is positioned to the right of the scale.
